Running for District Office has been one of the most rewarding experiences that I've had through Key Club. I've learned the true meaning of service, leadership, and teamwork. Being a district representative is a great way to get involved with KCI. Also, if you can tell me the definition of the Tetris effect, I will give you a prize. Running for and being on the district board is an experience unparalleled by any other.

### INFORMATION FOR DISTRICT OFFICE CANDIDATES

57th ANNUAL CONVENTION - MARCH 18-20, 2011

Red Lion Hotel,

Salt Lake City, Utah

Students who desire to be nominated for district offices need to be well informed about the demands that their office will impose on them. At the same time, the opportunities for new experiences, learning how to manage large, geographical dispersed organizations, and deal with people are many.

The reason that the nomination process includes the school principal, the faculty advisor, and parents is because these people need to know ahead of time what the requirements of the district officer's job will be.

The following information is a summary of the general responsibilities of district officers, as well s some specifics regarding each one. Candidates are asked to refer to the [BYLAWS OF THE UTAH-IDAHO DISTRICT OF KEY CLUB INTERNATIONAL](#) for detailed information. They are also encouraged to talk with current occupants of offices.

#### **ATTENDANCE AT MEETINGS**

Anyone who has ever served on a board of directors is aware that meetings will be messed. It is important for candidates to check their school calendars and their personal (family) calendars for possible scheduling conflicts. Board meetings are scheduled to miss the dates of SATs and ACTs. Please note, however, that the Bylaws require that if a board member misses two meetings they will be deemed to have resigned.

Each member of the district board is required to attend several meetings during the course of the year. These dates are set in advance so that board members can plan ahead. However, the board itself sets dates for its meetings. Note that the governor has the longest list of required meetings, as noted by the shaded boxes in the calendar below.

Board meetings are scheduled in various parts of the Utah-Idaho District, in order to share the travel requirements. The board also meets during International Convention.

### JOB DESCRIPTION SUMMARIES

#### GOVERNOR

The Governor is one of only thirty-three (33) members of Key Club *in the world* to hold this position. The Governor is also an International officer, serving on the International Council. He/she maintains a close relationship with the International Board Representative assigned to the district as well as a continuing relationship with the sibling districts that are assigned with us.

It is very helpful, although not mandatory, that the person serving as Governor have served as a club officer and/or a district officer. The more knowledge about Key Club the better! The Governor should also be a good student, because he/she will miss school and needs to be able to balance the rigor of the office with academic responsibilities.

The Governor publishes monthly newsletters to the members of the board, regular newsletters to club presidents, and prepares agendas for each board meeting, over which he/she presides. Speaking engagements to Kiwanis District Board meetings and various club functions are frequent. The Governor has a "personal advisor" relationship with the District Administrator.

#### SECRETARY/TREASURER

The foremost responsibility of the Secretary is to take and publish minutes of each board meeting. He/she also sends a prescribed number of newsletters to the club secretaries, and collects, reads, and grades the monthly reports that each club sends. Monthly newsletters to members of the district board are required. The Secretary is responsible for providing training for club secretaries. Attendance at all board and executive committee meetings is a mandatory responsibility of this officer.

#### BULLETIN EDITOR

The duties of the bulletin editor are to create all district publications. From creating District Convention announcements, to creating newsletters sent to each of the Key Clubs, the Bulletin editor is expected to work with other members of the district board to put out efficient and practical publications updating members on district-wide activities. Furthermore, the bulletin editor is a member of the executive board, and is responsible to act as such.

#### LT. GOVERNOR

There are thirteen Lt. Governors in the Utah-Idaho District, serving thirteen divisions that stretch from Oregon to Eastern Idaho, from the Wood River Valley to St. George, Utah. Each Lt. Governor is responsible for geographical area within proximity of the own Key Club. Some divisions have four Key Clubs, others have eight. One of the tasks of the district board this year will be to revise the division boundaries within the District.

Lt. Governors are often asked to speak to both Key Clubs and Kiwanis Clubs within their division. They need to maintain contact with the Kiwanis Lt. Governor in their area.

This district officer has the closest contact with the individual Key Club. The Lt. Governor is responsible for training the club officers in the fall soon after school begins, visiting each club during its regular weekly meeting at least twice during the year, and holding a minimum of four meetings with the club executive officers during the year, through Presidential and Divisional Council Meetings. The Lt. Governor also publishes a monthly publication to each club president with information about the Division and the District. The Lt. Governor is the trouble-shooter for his/her Division and will be involved in saving weak clubs and assisting strong clubs. Charter parties and Kiwanis meetings are also part of this officer's job.

**Since Lt. Governors attend many meetings away from their own school it is necessary that they are able to drive and have a car at their disposal, or that they have a responsible source of transportation.**

## WEBMASTER

The Webmaster is appointed by the Governor and confirmed by the district board. In addition to the standard service agreement anyone interested in serving as Webmaster is required to submit to the district board a “résumé” of their skills and experience in creating and managing Web sites. This can be submitted as late as the Sunday morning of district convention. The appointment will be announced before the first board meeting in June so that the person chosen can plan on attending.

The Webmaster is responsible for maintaining the district Web site (<http://www.uikeyclub.org>). We are in the process of revising it, and plan to make the website a more useful resource for any member.

## APPLICATIONS AND NOMINATIONS

If you are interested in running for a district office please look over the required service agreements attached. Note that it must be signed by your parent(s), the Key Club Faculty Advisor, and your school Principal. You might want to make copies of the agreement to give to them for their information and records.

**The service agreements with all signatures (except for the agreement and resume for the Webmaster) must be submitted to the District Administrator not later than the opening sessions of the District Convention on March 18, 2011. Scanned and emailed or faxed copies are accepted. The forms may be mailed to the District Administrator in advance of the convention, but the Administrator is not responsible for any forms received later than the deadline.**
