Rules Regarding Nomination and Election of District Officers

BYLAWS OF THE UTAH-IDAHO DISTRICT OF KEY CLUB INTERNATIONAL

Article 5, Section 3. The District Officers shall be elected in the manner prescribed in the District bylaws. They shall begin their official duties immediately following induction and shall serve for one (1) year or until their successors are duly elected.

Article 5, Section 4(f). All officers, with the exception of the Key Club District Administrator, shall be elected at the Annual District Convention. The Key Club District Administrator shall be designated by the Governor of the sponsoring Kiwanis District.

As noted above, the Bylaws of the Utah-Idaho District of Key Club International do not provide details of the nominating and election process for District Officers. It is the responsibility of the District Board to establish such rules as they may choose to organize the nomination and election process. To this end the District Board has adopted the following rules:

Notification

1. The Secretary of the Utah-Idaho District of Key Club International shall see that appropriate information about nominations and elections, as well as the duties and responsibilities of District Officers, is included in the packet of Convention materials mailed to Key Clubs in this District before Convention.
2. Each nominee must obtain the signature of the school principal, their faculty advisor, and their parents prior to standing for election.

Application and Nomination

1. Each person desiring to be nominated for District Office, prior to his/her arrival at Convention, should file the requisite application and service contract with the District Administrator no later than the Wednesday preceding the opening of the Convention. However, applications and service agreements may be brought to the Convention, and should be given directly to the District Administrator. Service agreements for candidates nominated from the floor of Convention may be faxed to the candidate’s home for parent’s approval and signature and email or telephone consent of the Faculty Advisor and the School Principal will be accepted. No person may stand for election until these signatures have been procured.
2. Nominations for candidates shall be made at the Opening Session on Friday evening and at the General Session on Saturday morning.
3. Candidates will meet on the Friday evening of the Convention, and Saturday afternoon of the Convention immediately following the General Session in order to be informed about the election process and to ask questions. Attendance is mandatory for all candidates.
4. Each candidate will be introduced at the General Session on Saturday morning of the Convention.
Rules Regarding Nomination and Election of District Officers

Campaigning

1. Each candidate will be presented at the various multi-Divisional caucuses if he/she is running for one of the Executive Board positions, or to his/her Divisional caucuses if he/she is running for Lieutenant Governor.
2. Each candidate shall make a formal address to the House of Delegates at the Sunday morning meeting of the same. No second address is required at the House of Delegates meeting.
3. No overt campaigning may take place for any District Office.

Delegates

1. Each Key Club in this District shall appoint two of its members to serve as delegates. The form for this appointment shall be included in the Convention registration packet. It is to be completed and forwarded to the District Administrator.
2. After each Key Club is registered at Convention the two members serving as delegates from their school must check in at the credentials desk. At that time they will receive a delegate’s ribbon and a pass to the House of Delegates. No one will be admitted to the floor of the House of Delegates without this pass in their possession.
3. Delegates shall attend Division caucuses to question and interview candidates for District Office.
4. If a delegate cannot attend the House of Delegates meeting they must give their pass and ribbon to one of the two alternates from their club, whose names are listed on the Delegates Registration Sheet. Again, no person shall be admitted to the floor of the House of Delegates without this pass in their possession.

House of Delegates

1. Upon arriving at the House of Delegates each delegate will give their pass to one of the officials at the door. They will be given an official Utah-Idaho District Key Club District ballot, which will contain the names of all candidates running for District Offices.
2. A clearly demarked section of the meeting space may be set-aside for visitors, who may not participate in any way in the deliberations of the House of Delegates.
3. Voting will take place by written ballot. No delegate will be allowed to leave the House of Delegates until the meeting has adjourned, except for extenuating circumstances and that with the expressed permission of the chair. Once the ballots have been cast they will be given to the International Trustee in attendance at the Convention.
4. A simple majority of votes cast for each office is required for election.
5. Matters regarding persons running for International office, or others matters concerning Key Club International may be heard and voted upon by voice vote, a simple majority being required for passage.
Rules Regarding Nomination and Election of District Officers

House of Delegates (Continued)

Information for District Office Candidates

Students who desire to be nominated for District Offices need to be well informed about the demands that their office will impose on them. At the same time, the opportunities for new experiences, learning how to manage large, geographical dispersed organizations, and deal with people are many.

The reason that the nomination process includes the school principal, the faculty advisor, and parents is because these people need to know ahead of time what the requirements of the District Officer’s job will be.

The following information is a summary of the general responsibilities of District Officers, as well as some specifics regarding each one. Candidates are asked to refer to the Bylaws Of The Utah-Idaho District Of Key Club International for detailed information. They are also encouraged to talk with current occupants of offices.

It is highly recommended for candidates who are interested in running for District Office to complete a questionnaire to be included in the Candidate’s Booklet. These forms will be available on http://uikeyclub.org under the “Leadership” and “DCON” tabs. Candidates who are interested in doing so should also e-mail the Policy, Elections, and Events Chair. These questionnaires are due on March 15th, 2014 to the Chair. The Policy, Elections, and Events Chair is also available to provide more information and assistance. Candidates should utilize this opportunity and reach out to the Chair.

Attendance at Meetings

Anyone who has ever served on a Board of Directors is aware that meetings will be missed. It is important for candidates to check their school and personal (family) calendars for possible schedule conflicts. Board meetings are scheduled around SAT and ACT dates. Please note, however, that the Bylaws require that if a Board member misses two meetings they will be deemed to have resigned.

Each member of the District Board is required to attend several meetings during the course of the year. These dates are set in advance so that Board members can plan ahead. However, the Board itself sets dates for its meetings. Note that the Governor has the longest list of required meetings, as noted by the shaded boxes.

Board meetings are scheduled in various parts of the Utah-Idaho District, in order to share the travel requirements. The Board also meets during International Convention.
Position Descriptions

Governor

The Governor is one of only thirty-three (33) members of Key Club in the world to hold this position. The Governor is also an International Officer, serving on the International Council. He/she maintains a close relationship with the International Board Representative assigned to the District as well as a continuing relationship with the sibling Districts that are assigned with Utah-Idaho.

It is very helpful, although not mandatory, that the person serving as Governor has served as a club officer and/or a District Officer. The more knowledge about Key Club the better. The Governor should also be a good student, because he/she will miss school and needs to be able to balance the rigor of the office with academic responsibilities.

The Governor publishes monthly newsletters to the members of the Board, regular newsletters to club presidents, and prepares agendas for each Board meeting, over which he/she presides. Speaking engagements to Kiwanis District Board meetings and various club functions are frequent. The Governor has a “personal advisor” relationship with the District Administrator.

Secretary

The foremost responsibility of the Secretary is to take and publish minutes of each Board meeting. He/she also sends a prescribed number of newsletters to the club secretaries, and collects, reads, and grades the monthly reports that each club sends. Monthly newsletters to members of the District Board are required. The Secretary is responsible for providing training for club secretaries. Attendance at all Board and executive Committee meetings is a mandatory responsibility of this officer.

Treasurer

The Treasurer’s responsibility is to work with the District Administrator in order to oversee and manage finances of Utah-Idaho District. In addition, the Treasurer shall act as the chair of the Fundraising committee.

Executive Assistant

The Executive Assistant’s responsibilities lie with the duties of the Secretary and Treasurer, but also include Secretary/Treasurer pro tempore if the Secretary and/or Treasurer are absent.
Bulletin Editor

The duties of the Bulletin Editor are to create all District publications. From creating District Convention announcements, to creating newsletters sent to each of the Key Clubs, the Bulletin Editor is expected to work with other members of the District Board to put out efficient and practical publications updating members on District-wide activities. Furthermore, the Bulletin Editor is a member of the Executive Board, and is responsible to act as such.

Webmaster

The Webmaster is appointed by the Governor and confirmed by the District Board. In addition to the standard service agreement anyone interested in serving as Webmaster is required to submit to the District Board a “résumé” of their skills and experience in creating and managing websites. This can be submitted as late as the Sunday morning of District Convention. The appointment will be announced before the first Board meeting in June so that the person chosen can plan on attending.

The Webmaster is responsible for maintaining the District website (http://www.uikeyclub.org) and is allowed to revise or reformat the website in any way, so long as it remains a useful resource for Key Club members.

Lieutenant Governor

There are twelve (12) Lieutenant Governors in the Utah-Idaho District, serving twelve Divisions that stretch from Oregon to Eastern Idaho, from the Wood River Valley to St. George, Utah. Each Lieutenant Governor is responsible for geographical area within proximity of the own Key Club. Some Divisions have four Key Clubs, while others have eight. One of the tasks of the District Board this year will be to revise the Division boundaries within the District.

Lieutenant Governors are often asked to speak to both Key Clubs and Kiwanis Clubs within their Division. They need to maintain contact with the Kiwanis Lieutenant Governor in their area.

This District Officer has the closest contact with the individual Key Clubs. The Lieutenant Governor is responsible for training the club officers in the fall soon after school begins, visiting each club during its regular weekly meeting at least twice during the year, and holding a minimum of four meetings with the club executive officers during the year, through Presidential and Divisional Council Meetings. The Lieutenant Governor also publishes a monthly publication to each club president with information about the Division and the District. The Lieutenant Governor is the trouble-shooter for his/her Division and will be involved in saving weak clubs and assisting strong clubs. Charter parties and Kiwanis meetings are also part of this officer’s job.
Applications and Nominations

Members interested in running for a District Office should look over the required service agreements attached. Note that these service agreements must be signed by the candidate’s parent(s), Key Club Faculty Advisor, and school Principal. Prospective candidates are also urged to make copies of the agreement to give to them for their information and records.

The service agreements with all signatures (except for the agreement and résumé for the Webmaster) must be submitted no later than the Opening Session of the District Convention on March 28, 2014. Candidates will be able to submit their forms during the Candidate’s Session on March 28, 2014. Scanned and emailed copies are accepted. The forms may be mailed to the District Administrator in advance of the Convention, but the Administrator not responsible for any forms received later than the deadline.

If you have any questions, please contact the District Administrator or the Policy, Elections, and Events Chair.
