The IRC in Salt Lake City Donation Wish List

Each year, the International Rescue Committee (IRC) in Salt Lake City welcomes an average of 450 refugees to our community from countries as far away as Burma, Bhutan, Eritrea, Iraq, Sudan, Somalia, Congo, and Cuba. The IRC needs your help providing essential items for newly arrived refugees as they adjust to life in Salt Lake City and complete their journey from harm to home.

For more information or questions concerning donations, please contact Jesse Sheets at (801) 883 - 8457 or Jesse.Sheets@Rescue.org.
