

Hello Key Clubbers and Advisors,

In March, at district convention, I was elected as the new Governor of the Utah-Idaho Key Club district. Throughout the year, one of my goals will be to increase interclub activity and communication, so, please do not hesitate to contact me at any time or for any reason: [ui.keyclub.dgov@gmail.com](mailto:ui.keyclub.dgov@gmail.com) or (208)-901-5696. Furthermore, throughout the year I ask that you stay in communication with your division's Lieutenant Governor as they will have lots of great information to share!

Additionally, just a few weeks ago, the district board met for the first time to discuss our plans and goals for the upcoming year. As a board, one of our main focuses' is to increase the number of participants and clubs who attend the Utah-Idaho district convention. This being said, we are working hard to make district convention convenient, worthwhile and accessible for everyone. As of now, we know that district convention will be held in Ogden, Utah on Saturday, March 7<sup>th</sup>. Due to distance, some Idaho schools will need to arrive on the 6<sup>th</sup> and spend the night, however, our goal is to make convention a one-day event for Utah schools who are subject to very strict travel guidelines.

Lastly, throughout the year, one of my goals is to increase Utah-Idaho's participation with Key Club International's programs and preferred charities. By focusing on three of Key Club International's preferred charities; The Thirst Project, Trick-or-Treating for UNICEF, and The March of Dimes; I hope to simplify and streamline the volunteering process for many of your clubs. Additionally, I will challenge each of your clubs to take advantage of Key Club's Youth Opportunity Fund, a program which gives grants to fund club service projects. I will provide more information about each of these topics as it becomes necessary.

I look forward to working with each and every one of you. Together, I know we will make a positive difference in our community.

Sincerely,

Carson Moore  
Utah-Idaho Key Club  
District Governor
